PROPOSAL OF VALUE

We are a firm oriented to generate value to our clients, through qualified legal services that guarantee efficient and safe businesses, savings in legal contingencies and above all contribute to business profitability through timely and quality support for decision making , that directly impact on business success.

OUR VALUES

EXPERIENCE AND YOUTH

Our team of lawyers and collaborators is characterized by the experience in the legal service, the youth ingredient that encourages us to do the work with enthusiasm and creativity and above all the specialty and academic preparation of consistency that allows our services to have solid foundation and training.

THE CLIENT FIRST

Our services are characterized by a culture of customer service, based on trust, give peace of mind on the legal issue, rapid response and full communication. The customer is the center of our activity. At Ísmodes Abogados, our goal is that the legal service always becomes a positive experience for our clients.

OUR SERVICES

MONTHLY FIXED ASSISTANCE SYSTEM:

It consists of the permanent advice of our firm, on the topics and activities of day to day, such as drafting contracts with suppliers and third parties, tax advice, advice on labor matters, legal advice and negotiation; and those other areas that the client selects, which allows prevention, savings, risk reduction and higher profits by avoiding contingencies.

The advantages of the monthly fixed advisory system are:

- Have a firm of expert lawyers for a single monthly payment.
- Have permanent attention when required.
- To be able to plan the advisory expenses on an annual and monthly basis.

EXTRAORDINARY OPERATIONS AND LEGAL SPONSORSHIP:

Our Clients may have the support of the firm with specialized advice in operations that are not part of the day-to-day business and that involve high dedication, depth and sophistication, such as transactions, mergers and acquisitions, public-private initiatives and selection procedures, contracts of high complexity, licenses etc., as well as legal sponsorship in judicial or arbitration processes, tax audits.

ATTORNEY COORDINATOR:

Our firm will appoint a coordinating lawyer, who will be the link between the firm and the client, always caring for attention, frequent, quality and results.
